

# Do you have a heart for your peers?

## Join our ministry.

We're a starting ministry and need your help. God is doing something amazing in the Bergen county, and we're aiming to reach our peers (roughly ages between 18-35, even though we welcome people outside this range) that do not know Jesus. We're looking for people who are willing to lead small groups, Bible studies, or just plainly help people fit in with the community that God desired. Come check us out on our website. Read about us, and let us know what you think.

### Be part of an amazing thing God is doing with our peers

\*\*\* If you're currently a member of an established church, and wish to gain some experience building a ministry from scratch, we welcome you to join us. We can talk to your pastor/church for you. We're going to get our hands dirty and minister to others, as God transforms hearts.

\*\* If you are unable to leave your church, but support our cause, you're welcome to sign up as a distant supporter. We need supporters to pray with us and reach for our peers in our community.

\* If you are a leader of a church, please sign up and let us know you support us. We're also trying to make alliances with churches to work together to reach our peers. Bless us and pray with us for this generation to be world changers.
